You are receiving this statement because you have an escrow account with us. We have safeguards in place to ensure there is enough money in your account to cover your homeowner's insurance, real estate taxes and mortgage insurance, if applicable.

However, changes in your taxes and insurance could result in a shortage or surplus in your escrow account.

Based on our most recent escrow analysis, you have a surplus of \$5.83 in your escrow account. Federal law requires that any surplus of \$50.00 or more be returned to the borrower within 30 days from the date of analysis.

However, because your surplus is less than \$50.00, the funds will be retained and credited against future escrow payments.

Projected Minimum Balance	\$888.83
- Required Minimum Balance	\$883.00
Surplus	\$5.83

The required minimum balance (also known as the escrow cushion) is the amount that you are required to pay into your escrow account to cover unanticipated disbursements for escrow items or for disbursements that have to be made before the monthly escrow payments are available in your escrow account.

Part 1 provides your current and the new escrow payment amounts. Part 2 shows what has already happened in your account while Part 3 shows what we anticipate happening in your account over the next 12 months. As tax and insurance amounts may be subject to change each year, the amounts in Part 3 are only estimates.

The required minimum balance, as indicated by the asterisk (\*) in the summary above, is determined by the Real Estate Settlement Procedures Act (RESPA), your mortgage contract or state law. Your minimum balance may include up to two months of escrow payments (excluding PMI/MIP) to cover increases to your taxes and homeowners insurance.

PART

**4****What This Means to You**

Your escrow balance is more than the amount needed in your account. The resulting surplus is \$5.83. Federal law requires that any surplus of \$50.00 or more be returned to you within 30 days from the date of analysis.

However, because your surplus is less than \$50.00, the funds will be retained and credited against future escrow payments.

Did you know by having recurring payments set up through FreedomMortgage.com, we'll adjust for any changes in your monthly payment automatically? However, if you have automatic bill pay through your bank, you'll need to contact them directly to adjust your payment.
